2020 GMC Sierra 2500HD

Experience the power and capability of the 2020 GMC Sierra 2500HD AT4, designed for those who demand rugged performance and refined comfort in every drive.

Built to tackle the toughest jobs, this Sierra 2500HD features a robust Duramax 6.6L Turbo-Diesel V8 engine delivering an impressive 445 horsepower and a staggering 910 lb-ft of torque. Its heavy-duty 6-speed automatic transmission and advanced 4x4 drivetrain with locking limited-slip differential ensure exceptional traction and control on any terrain, whether you're hauling heavy loads or navigating off-road trails. The AT4 trim adds all-terrain tires, running boards, and a bed liner, making it ready for both work and adventure.

Inside, the crew cab offers premium leather seating with heated and cooled front seats, adjustable lumbar support, and memory settings for driver and passenger, providing comfort during long hauls or daily drives. Advanced safety features such as stability control, multiple airbags, tow hooks, and a backup camera enhance confidence behind the wheel. Additional conveniences like remote engine start, keyless entry, heated mirrors, and a WiFi hotspot keep you connected and comfortable no matter where the road takes you. Finished in Summit White with aluminium wheels, this Sierra 2500HD AT4 combines rugged capability with sophisticated style for the discerning driver.
