1968 Chevrolet K10

This 1968 Chevrolet K10 is a true head-turning classic with serious performance to match its looks. Powered by an Edelbrock Racing 350 Small Block NASCAR Edition, this truck is pushing approximately 500 horsepower, delivering an aggressive, unmistakable sound and strong on-demand power.

Equipped with an air ride suspension featuring a built-in compressor, ride height can be raised or lowered instantly at the push of a button—perfect for cruising, parking, or showing off. The drivetrain is paired with a 3-speed automatic transmission for smooth, effortless driving.

This K10 has been stored indoors for the past 20 years, helping preserve its condition and appeal. It sits confidently on Kruz 20" alloy wheels wrapped in Ironman 225 /35ZR20 tires, giving it a modern stance while maintaining classic character.

A rare blend of vintage muscle, modern customization, and show-ready presence—this 1968 K10 is built to be driven, admired, and remembered.

Price does not include taxes or \$699 DOC Fee.
