2024 GMC Sierra 1500

Experience the power and sophistication of the 2024 GMC Sierra 1500 Crew Elevation 4WD in striking Onyx Black, designed for those who demand capability and comfort in every drive.

This diesel-powered Sierra 1500 is equipped with a robust Duramax 3.0L Turbo-Diesel I6 engine delivering an impressive 305 horsepower and 495 lb-ft of torque, perfect for towing and hauling with confidence. Its advanced 4x4 drivetrain and locking limited-slip differential ensure exceptional traction and control across all Canadian terrains and weather conditions. The crew cab offers spacious seating with heated front seats and driver-adjustable lumbar support, making long journeys more comfortable. Keyless entry and remote engine start add convenience, while the multi-zone climate control keeps everyone comfortable regardless of the season.

Safety is paramount with features like front collision mitigation, lane departure warning, and automatic high beams, giving you peace of mind on busy highways or rugged backroads. The integrated navigation system and WiFi hotspot keep you connected and on course, while the back-up camera and tow hooks simplify manoeuvring and towing tasks. Finished with aluminum wheels and LED headlights, this Sierra 1500 Elevation is the perfect blend of rugged capability and modern technology for the discerning Canadian driver.
