2025 Toyota Corolla

Drive with confidence, efficiency, and modern comfort in this 2025 Toyota Corolla LE CVT, a smart and dependable sedan designed for today's daily driver. With only 13,333 km, this low-kilometre, pre-owned Corolla offers outstanding value, combining Toyota's renowned reliability with excellent fuel economy—making it an ideal choice for commuters, students, and first-time buyers.

Powered by a responsive and fuel-efficient 2.0L engine, this Corolla delivers a smooth, comfortable ride while helping you save at the pump—perfect for both city driving and highway cruising. Inside, the cabin is thoughtfully designed with fabric upholstery, automatic climate control, and a user-friendly 8-inch touchscreen. Stay connected on the go with Apple CarPlay and Android Auto, along with convenient USB-C ports to keep your devices charged. Features like keyless entry and power windows add everyday practicality to this well-rounded sedan.

Safety is a standout in this used Toyota Corolla LE, equipped with Toyota's advanced driver-assist technologies. The Pre-Collision System with Pedestrian Detection can help detect potential hazards and apply braking if needed, while lane departure warning helps keep you on track. Blind spot monitoring enhances awareness when changing lanes, and automatic high beams improve nighttime visibility. These features work together to provide added confidence and peace of mind on every drive.

This quality inspected, pre-owned Toyota Corolla has undergone a comprehensive inspection and reconditioning process at our Kia dealership, ensuring it meets high standards for safety, performance, and long-term reliability.

Don't miss your opportunity to own this efficient and low-mileage 2025 Toyota Corolla LE. Visit us today to take it for a test drive and experience its comfort, technology, and fuel-saving performance firsthand!
