## 2016 Jeep Cherokee

### 2017 Jeep Cherokee Trailhawk 4WD - One Owner

Rugged, capable, and built for real off-road performance, this 2017 Jeep Cherokee Trailhawk 4WD is designed to go where others can't while still delivering everyday comfort. It's powered by a strong 3.2L Pentastar V6 producing around 271 horsepower, paired with a smooth 9-speed automatic transmission and Jeep's advanced Active Drive Lock 4x4 system for exceptional traction and control. With responsive power and a confident feel on any terrain, this Trailhawk is ready for both adventure and daily driving. The Trailhawk trim is Jeep's most off-road-focused Cherokee, featuring Selec-Terrain drive modes, a locking rear differential, skid plates, off-road suspension, and increased ground clearance for tackling rough trails with ease. Inside, you'll find a comfortable and functional cabin with features like heated seats, a touchscreen infotainment system, Bluetooth connectivity, and a backup camera. With its bold styling, Trail Rated® capability, and one-owner history, this Cherokee offers the perfect mix of durability, versatility, and everyday comfort.
