## 2023 Ford Explorer

The 2023 Ford Explorer with the 2.3#liter EcoBoost engine combines performance, comfort, and advanced technology into a versatile SUV ideal for both daily driving and long road trips. Its turbocharged 2.3 L engine delivers strong power while featuring Auto Start#Stop technology to improve fuel efficiency by shutting off the engine when idle. Inside, the cabin is equipped with heated front seats and a heated steering wheel, providing comfort in any weather, while the voice#activated touchscreen navigation system keeps you connected and on course with ease. Safety and convenience are enhanced by adaptive cruise control, which automatically adjusts your speed in traffic, and a suite of modern driver#assist features. With this combination of power, comfort, and technology, the 2023 Explorer 2.3 EcoBoost offers a well-rounded driving experience that meets the needs of families and commuters.
