2024 Chevrolet Tahoe

2024 Chevrolet Tahoe RST 4x4 - 3.0L Duramax Diesel - Rare Combination of Power, Efficiency & Style!

Experience the ultimate full-size SUV with this 2024 Chevrolet Tahoe RST. Combining the bold, athletic styling of the RST trim with the legendary efficiency and torque of the **Duramax 3.0L Turbo-Diesel engine**, this Tahoe delivers an unparalleled driving experience. With only **55,055 km**, this late-model SUV is practically new and ready for your next adventure.

Why You'll Love This Tahoe:

- **The Ultimate Powertrain:** Under the hood sits the highly sought-after **Duramax 3.0L Turbo-Diesel 6-cylinder engine**, producing **277 horsepower and 460 lb-ft of torque**. This engine provides massive low-end grunt for effortless towing while delivering exceptional fuel economy—an EPA-estimated **28 MPG highway** (approx. 8.4L/100 km). It's the smart choice for those who want power without constant trips to the pump.
- **RST Sport Appearance:** The RST (Rally Sport Truck) trim turns heads with its aggressive, monochromatic style. Features include **22-inch high-gloss black-painted aluminum wheels**, a distinctive black grille with Black Ice accents, and unique RST badging. The interior features a premium Jet Black cabin with contrasting Victory Red stitching for a sporty touch.
- **Serious Towing Capability:** Properly equipped, this Duramax-powered Tahoe can tow up to **8,400 lbs**. The diesel engine's 460 lb-ft of torque makes towing heavy loads feel effortless, and the integrated exhaust brake provides extra control when descending grades with a trailer.
- **Massive Interior Space:** With three rows of seating, the Tahoe accommodates up to eight passengers comfortably. When you need to haul cargo, folding the second and third rows opens up a cavernous **maximum of 122.9 cubic feet of cargo space**.
