2023 GMC Sierra 3500HD

\*GM CERTIFIED PRE-OWNED RATES @ 4.99% O.A.C

The 2023 GMC Sierra 3500HD SLT in classic white makes an immediate statement of strength, capability, and refinement. With just under 47,000 km on the odometer, this truck has been gently driven and well cared for, offering the confidence of a nearly new vehicle at a more accessible price point. Its bold exterior styling, highlighted by a commanding grille, chrome accents, and muscular body lines, reflects both professional appeal and rugged capability, ensuring it looks equally at home on a jobsite or in the driveway. The white finish enhances its premium presence while also being practical for long-term upkeep.

Step inside, and you're greeted with an interior that blends luxury and durability. The SLT trim elevates comfort with premium leather seating, power-adjustable front seats, and refined cabin materials that create a quiet, relaxing environment even on long drives. Modern technology is seamlessly integrated, with a large touchscreen infotainment system offering smartphone connectivity through Apple CarPlay and Android Auto, as well as an intuitive navigation system. Convenience is front and center, with features like keyless entry, push-button start, dual-zone climate control, and plenty of storage solutions to keep daily life organized and effortless.

Under the hood, the Sierra 3500HD SLT lives up to its reputation for uncompromising performance. Built for heavy-duty work, it offers incredible towing and hauling capability while maintaining smooth, composed handling on the open road. Whether you're hauling equipment, towing a trailer, or simply enjoying a weekend adventure, this truck delivers the confidence and reliability GMC is known for. Despite its size and power, the Sierra's advanced engineering helps it achieve respectable efficiency for its class, making it a smart choice for those who need capability without sacrificing practicality.

Safety is another area where the Sierra 3500HD SLT shines. With advanced driver-assistance features such as lane departure warning, rear cross-traffic alert, blind spot monitoring, and a high-definition backup camera, this truck provides peace of mind for drivers and families alike. Its solid construction, coupled with GMC's reliability record, means you can count on this vehicle for years to come. The mileage of under 47,000 km ensures plenty of life ahead, while its meticulously maintained condition
