2025 GMC Sierra 1500

WE DELIVER ANYWHERE IN CANADA!

Premium comfort meets serious capability in the 2025 GMC Sierra 1500 SLT Crew Cab. Built to work hard and look sharp doing it, this full size pickup delivers strong performance, upscale features, and the everyday practicality truck buyers want most.

On the outside, the Sierra SLT stands out with its bold chrome grille, signature LED lighting, sculpted body lines, and premium alloy wheels. The Crew Cab configuration adds a more commanding presence while giving you the passenger space and flexibility needed for work, family, or travel.

Under the hood, the Sierra offers a powerful 5.3L 8 cylinder engine built for towing, hauling, and confident daily driving. Paired with a smooth automatic transmission, it delivers strong acceleration and dependable capability. When properly equipped, the Sierra 1500 offers impressive towing strength, while four wheel drive adds traction and control in changing conditions.

Inside, the SLT trim adds a premium feel throughout the cabin. Leather appointed seating, heated front seats, a heated steering wheel, and a power adjustable driver's seat with memory create a comfortable, upscale environment. The spacious Crew Cab rear seat provides excellent legroom for passengers, and smart storage throughout the cabin helps keep tools, gear, and everyday essentials organized.

Technology is modern and easy to use. A large touchscreen infotainment system includes Google built in, Apple CarPlay, and Android Auto for seamless connectivity. A digital driver display keeps key information front and center, while a premium Bose audio system delivers rich, clear sound. Available wireless charging and multiple USB ports add everyday convenience.

Safety features help support confidence on every drive. Forward Collision Alert, Lane Keep Assist, Blind Zone Steering Assist, Rear Cross Traffic Braking
