## 2022 Subaru Outback

### Efficiency meets Versatility in the Ultimate All-Weather Wagon.

Why is the **Touring** our most popular trim? Because it's built exactly for the Canadian lifestyle. This 2022 Subaru Outback Touring delivers the perfect blend of premium technology and rugged capability without the luxury price tag. Whether you're navigating a slushy Monday morning commute or heading to the Rockies for the weekend, this Outback is ready to lead the way.

#### Key Highlights for Your Next Adventure:

- **Legendary Capability:** Equipped with Subaru's world-renowned **Symmetrical Full-Time All-Wheel Drive** and **220mm (8.7 inches) of ground clearance**, you'll breeze through snowdrifts and cottage trails that leave other crossovers stranded.
- **The Winter Essentials:** Forget the morning chill. This Touring trim comes standard with a **Heated Steering Wheel**, heated front seats, and heated side mirrors.
- **Tech-Forward Cabin:** The centerpiece of the interior is the massive **11.6-inch tablet-style touchscreen**. Featuring Apple CarPlay®, Android Auto™, and a crystal-clear backup camera, your media and navigation are always front and centre.
- **Safety Without Compromise:** Drive with peace of mind thanks to the **EyeSight® Driver Assist** suite. From Adaptive Cruise Control with Lane Centering to Reverse Automatic Braking, this Outback acts as an extra set of eyes on the road.
- **Smart Utility:** The **Hands-Free Power Tailgate** allows you to access the massive 2,144L of cargo space even when your hands are full of gear, while the integrated roof crossbars swing out only when you need them.
