Powered by a 2.5 Litre 4 Cylinder engine that offers 177hp and a 6-speed manual transmission. This Front Wheel Drive team returns up to approximately 7.8L/100km on the highway – giving you many miles between fill-ups! The exterior of the Sentra SE-R has a look all its own with distinctive front and rear fascias, side sill extensions, fog lights, rear spoiler, and 17-inch aluminum-alloy wheels.

Once inside our SE-R, you'll find an unusually roomy interior for a sedan in this class. Not only is there enough room for you and four friends, but you'll also find plenty of standard features.
