2023 Nissan Rogue

The 2023 Nissan Rogue Platinum AWD represents the perfect balance of modern design, advanced technology, and everyday practicality. As the top trim in the Rogue lineup, the Platinum delivers a premium driving experience while maintaining the efficiency and reliability that Nissan is known for. With its bold styling, refined interior, and impressive capability, this SUV stands out as a smart choice for drivers who want luxury-level features without the luxury price tag.

From the outside, the Rogue Platinum makes a strong first impression. Its sleek body lines, signature V-Motion grille, and sharp LED lighting give it a confident, contemporary presence on the road. Stylish alloy wheels and chrome accents add to its upscale appearance, while the aerodynamic design not only looks great but also contributes to impressive fuel efficiency. Whether parked in the driveway or pulling up to a night out, this SUV carries a sophisticated look that easily rivals competitors in its class.

Step inside and you'll immediately notice the attention to detail and comfort that define the Platinum trim. The cabin is designed to feel open, refined, and welcoming, featuring premium leather-appointed seating, heated front and rear seats, and a heated steering wheel for those colder mornings. The spacious layout provides excellent legroom for passengers in both rows, while the panoramic sunroof fills the interior with natural light. Every drive feels a little more special thanks to the quiet ride and high-end materials throughout the cabin.

Technology is where the Rogue Platinum truly shines. A large digital driver display and high-resolution touchscreen keep important information and entertainment right at your fingertips. Wireless smartphone integration, navigation, a premium Bose audio system, and a head-up display bring convenience and connectivity to every journey. Whether you're commuting to work, heading out on a road trip, or simply running errands around town, the intuitive tech features make every drive smoother and more enjoyable.

Under the hood, the Rogue delivers both power and efficiency. Its advanced turbocharged 1.5L engine provides responsive acceleration while maintaining impressive fuel economy, making it an ideal SUV for both city driving and long highway trips. The intelligent All-Wheel Drive system continuously monitors road conditions and
