2024 Ford Ranger

WE DELIVER ANYWHERE IN CANADA!

Experience modern midsize capability and rugged confidence with the 2024 Ford Ranger XLT. Redesigned with bold styling and built to handle both work and adventure, this pickup delivers a strong presence with its aggressive grille, muscular body lines, and commanding stance. The Ranger XLT is designed for drivers who want serious capability in a versatile, easy to manage size.

Inside, the cabin offers a comfortable and functional space built for everyday use. The XLT trim adds upgraded interior materials, supportive seating, and a clean, driver focused layout. The spacious cabin provides plenty of room for passengers, while smart storage solutions make it easy to organize tools, gear, and personal items.

Under the hood, the 2024 Ranger XLT delivers confident performance with strong power and responsive acceleration. Its capable powertrain provides excellent towing and hauling ability for its class, making it a dependable choice for trailers, equipment, and weekend toys. The refined suspension balances ride comfort with rugged durability, ensuring a smooth drive on pavement and control on rougher terrain.

Technology is front and center. The large touchscreen infotainment system supports Apple CarPlay and Android Auto, keeping navigation, music, and hands free communication easily accessible. A digital driver display provides clear vehicle and performance information, while multiple USB ports keep devices charged on the go.

Safety features support confidence on every drive. Ford Co Pilot360 includes Forward Collision Assist, Lane Keeping System, Blind Spot Monitoring, and a Rear View Camera to help keep you aware in traffic, at job sites, and on the trail.
