2014 Ford Fusion

2014 Ford Fusion Titanium Hybrid | Fuel-Efficient | Premium Comfort

Blending impressive fuel efficiency with upscale comfort, this pre-owned 2014 Ford Fusion Titanium Hybrid is an excellent choice for drivers seeking a reliable and well-equipped sedan. With 116,870 kms, this used Fusion Hybrid offers outstanding value, combining smooth hybrid performance with premium features typically found in higher-end vehicles.

Under the hood, a 2.0L 4-cylinder engine paired with an electric motor delivers a refined and efficient driving experience. The hybrid system seamlessly switches between gas and electric power, helping you save on fuel without sacrificing performance. Whether you're commuting daily or heading out on longer drives, the Fusion provides a quiet, comfortable ride with responsive handling.

Inside, the Titanium trim elevates your driving experience with a thoughtfully designed and well-appointed cabin. Leather-trimmed sport seats, along with 10-way power-adjustable driver and passenger seating, ensure exceptional comfort. Heated front seats and dual-zone climate control keep everyone comfortable year-round. Technology is front and center with built-in navigation, Bluetooth connectivity, and a premium 12-speaker Sony audio system, delivering crystal-clear sound for every journey. Convenience features like remote start, push-button start, and keyless entry add ease to your daily routine.

Safety and reliability are key strengths, making this Fusion Hybrid a smart long-term ownership choice for commuters and families alike.

This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at our Nissan dealership, ensuring it meets high standards for safety, performance, and dependability.

If you're looking for a fuel-efficient, comfortable, and well-equipped pre-owned sedan, this Ford Fusion Titanium Hybrid is ready to impress. Contact us today to schedule your test drive!
