## 2026 Toyota Sequoia

### NEW TO CANADA? WE HAVE AN APPROVAL WAITING FOR YOU!

Built for adventure. Powered for anything. The 2026 Toyota Sequoia TRD Off Road is a full size SUV designed to handle tough terrain while keeping you comfortable on every drive.

From the outside, the TRD Off Road trim stands out with its aggressive styling, bold grille, skid plates, all terrain tires, and TRD badging. Its high ground clearance and rugged stance make it clear this Sequoia is ready to leave the pavement behind.

Under the hood, the i FORCE MAX hybrid powertrain pairs a twin turbo V6 with an electric motor to deliver up to 437 horsepower and 583 lb ft of torque. Power comes on strong and smooth, giving you the capability to tow, climb, and explore with confidence. A 10 speed automatic transmission and advanced four wheel drive system, along with Multi Terrain Select and Crawl Control, help you tackle mud, sand, snow, and rocky trails with ease.

Inside, the Sequoia TRD Off Road blends durability with comfort. Premium seating, heated front seats, and a power adjustable driver's seat create a refined environment, while rugged interior materials are built to handle active lifestyles. The spacious three row layout offers room for passengers and gear, and the flexible cargo area adapts easily for larger loads.

Technology keeps you connected wherever you go. A large touchscreen infotainment system includes navigation, Apple CarPlay, and Android Auto. A digital driver display provides key vehicle and off road information, while a premium audio system delivers clear sound on every journey.

Safety is standard with Toyota Safety Sense. Adaptive Cruise Control, Lane Tracing Assist, Pre Collision System with Pedestrian Detection, Blind Spot Monitoring,
