## 2023 Tesla Model Y

Experience the future of driving with this 2023 Tesla Model Y Long Range AWD, a cutting-edge electric SUV that blends performance, technology, and everyday practicality. Finished in a sleek grey exterior with a premium black interior, this pre-owned Model Y delivers impressive range, modern design, and exceptional value for drivers ready to make the switch to electric.

Powered by Tesla's dual-motor all-wheel drive system, this Model Y offers quick acceleration, confident handling, and an estimated range of up to 530 kms—perfect for both daily commuting and longer road trips. Inside, the minimalist cabin is centered around a stunning 15.4-inch touchscreen infotainment system that controls nearly every function of the vehicle. Enjoy seamless connectivity with Bluetooth, premium navigation, and built-in entertainment apps like Spotify, Netflix, and YouTube (when parked). Heated front seats, a heated steering wheel, and a panoramic glass roof elevate comfort, while the 14-speaker premium audio system ensures an immersive driving experience.

Safety and innovation go hand in hand with Tesla's advanced Autopilot features, along with forward collision warning and automatic emergency braking to help keep you and your passengers protected. The powered liftgate and spacious cargo area add everyday convenience, making this SUV as practical as it is advanced.

This used Tesla Model Y has undergone a comprehensive inspection and professional reconditioning process at our Hyundai dealership, ensuring it meets high standards for quality, safety, and long-term reliability. As a quality inspected vehicle, it's ready for its next owner.

Don't miss your opportunity to own this forward-thinking, fully electric SUV. Contact us today to schedule your test drive and experience it for yourself.
