2026 Kia EV9

Rugged yet refined, our 2026 Kia EV9 Land AWD with Plus Pack reimagines electric family adventure in bold Panthera Metal style! Dual Electric Motors deliver 379hp to a Single Speed transmission, enhanced by multiple drive modes for confident control in any condition. This All Wheel Drive Electric SUV features a high-capacity 99.8kWh battery that offers approximately 450 kilometres of EV range and can function as an onboard power generator. Boldly styled and built for versatility, the EV9 showcases premium features like LED lighting, an illuminated grille, dual sunroofs, a hands-free smart liftgate, low-profile roof rails, auto-extending door handles, gloss-black accents, and 20-inch black alloy wheels. You will love this: EV9 is Tesla Supercharger compatible via the NACS port.

Our Land cabin is lavishly equipped with heated/ventilated/quilted SynTex front and second-row seats, a comfortable third row, a heated-wrapped power steering wheel, tri-zone automatic climate control, and keyless access/start. Advanced technologies include a 12.3-inch touchscreen, a 12.3-inch driver display, connected navigation, wireless charging, WiFi compatibility, Android Auto®, Apple CarPlay®, Bluetooth®, voice control, and 14-speaker Meridian audio.

Kia supports smart safety with Highway Driving Assist 2, automatic braking, blind-spot monitoring, a 3D surround-view monitor, adaptive cruise control, lane-keeping assistance, forward collision warning, and more. Meticulously detailed, our EV9 Land is made to move you! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
