## 2020 Honda CR-V

The 2020 Honda CR-V EX-L delivers the perfect balance of practicality, sophistication, and comfort — a refined SUV that fits seamlessly into your everyday life while adding a touch of luxury to every drive.

Powering this CR-V is a 1.5-litre turbocharged 4-cylinder engine, producing smooth, responsive performance and excellent fuel efficiency. Paired with a continuously variable transmission (CVT) and all-wheel drive, it provides confident traction and control in all conditions — from busy city streets to snow-covered backroads.

Step inside, and the EX-L trim welcomes you with leather-trimmed seating, heated front seats, and a power-adjustable driver's seat with memory function for personalized comfort. The power moonroof brightens the cabin, while dual-zone climate control keeps everyone at ease no matter the weather.

Technology is intuitive and user-friendly, featuring a 7-inch Display Audio touchscreen, Apple CarPlay®, Android Auto™, and a premium 8-speaker sound system. Convenience features like the power tailgate, remote engine start, and keyless entry with push-button start make every day simpler and smoother.

Safety is built into the CR-V's DNA, with Honda Sensing® technologies such as adaptive cruise control, collision mitigation braking, lane keeping assist, and road departure mitigation — all working together to keep you protected.

Stylish, spacious, and packed with premium comfort, the 2020 Honda CR-V EX-L stands out as a versatile SUV designed to make every drive feel just right.

Book your test drive with Bannister GP Honda today!
