2023 Ford Edge

Experience the refined charm of the 2023 Ford Edge Titanium in a striking gray finish, crafted for those who appreciate versatile performance with its AWD drivetrain. Whether navigating city streets or venturing off the beaten path, this SUV adapts effortlessly with exceptional handling and the capability of a 2.0L 4-cylinder engine boasting an impressive 250 RPM @ 5500, coupled with a smooth automatic transmission for a seamless drive.

The exterior of this SUV is matched by its sophisticated interior, enveloped in elegant black highlights with quality leatherette door trim inserts. Practicality meets style with heated mirrors, alloy wheels, and keyless entry. The Edge Titanium offers both heated front seats and a leather-wrapped steering wheel, promising a comfortable and connected journey as you tackle all weather conditions with precision.

Stay ahead of the game with a suite of cutting-edge technologies including smart device integration, satellite radio, and a convenient Wi-Fi hotspot. Drive with confidence, secured by an array of safety features such as a backup camera, lane assist, brake assist, and parking sensors to enhance driver awareness and control.

The Ford Edge Titanium is the ultimate family utility vehicle or dynamic option for tech enthusiasts and style seekers alike. With its premium offerings and advanced features, reach out to our dealership today to elevate your driving experience—get all your questions answered and secure this exceptional SUV.
