2018 Chevrolet Trax

The 2018 Chevrolet Trax LT is the city-sized SUV with a big personality. Its compact footprint makes it perfect for tight streets and parking spots while still offering a surprisingly roomy interior. Powered by a peppy turbocharged engine and paired with available AWD, the Trax is ready for both urban commutes and spontaneous weekend escapes. Inside, you'll find a touchscreen infotainment system with Apple CarPlay and Android Auto, plus comfy seating for five. Whether you're zipping to work, hauling gear, or grabbing coffee with friends, this Trax LT fits seamlessly into your lifestyle—like your favourite pair of sneakers.
