## 2023 Chevrolet Suburban

### WE DELIVER ANYWHERE IN CANADA!

The 2023 Chevrolet Suburban LS is a full size SUV built for maximum space, strength, and everyday practicality. Its bold front end, long body design, and commanding road presence make it clear this vehicle is designed for big families and big needs.

Powered by a capable engine, the Suburban delivers smooth and confident performance whether you are driving in the city, on the highway, or towing a trailer. Despite its size, it feels stable and composed, giving you control and comfort on longer drives or busy travel days.

Inside, the Suburban LS offers one of the most spacious cabins in its class. Three rows of seating provide room for up to eight passengers, with generous legroom in every row. The extended wheelbase also creates impressive cargo capacity, making it easy to carry luggage, sports gear, groceries, or large equipment without compromise.

The interior is built for function and comfort. The layout is clean and practical, with durable materials designed for daily use. The infotainment system includes a touchscreen with Apple CarPlay and Android Auto, keeping you connected for navigation, calls, and entertainment on the go. Multiple USB ports and smart storage options help keep everyone organized and powered up.

Safety and driver assistance features are designed to support confidence behind the wheel with systems that help with awareness, lane control, and braking support in everyday driving conditions.

The 2023 Chevrolet Suburban LS is a dependable and spacious SUV for drivers who need serious room, strong capability, and everyday versatility in one proven package. Book your test drive with Bannister GP Honda today!
