2024 Chevrolet Traverse LT AWD | Spacious Family SUV with Advanced Technology

Designed for growing families and busy lifestyles, this pre-owned 2024 Chevrolet Traverse LT AWD delivers the perfect blend of versatility, comfort, and modern technology. With seating for the whole crew, confident all-wheel drive capability, and only 23,486 kms, this used Chevrolet Traverse is ready for everything from daily commuting to weekend road trips.

Under the hood, a responsive 2.5L turbocharged engine paired with an 8-speed automatic transmission provides smooth acceleration, impressive efficiency, and confident highway performance. The spacious 3-row interior offers excellent passenger comfort and flexible cargo capability, making it easy to accommodate family, friends, and gear. Exterior styling is clean and modern with 18-inch wheels, black roof rails, and striking LED headlights and taillights that give the Traverse a bold road presence.

Inside, technology takes center stage with a massive 17.7-inch color touchscreen featuring built-in Google, wireless Apple CarPlay and Android Auto, Wi-Fi hotspot capability, and six USB ports to keep everyone connected on the go. The 11-inch driver display adds a modern, customizable touch to the driving experience, while the available Super Cruise hands-free driving technology helps make long highway drives more relaxing and convenient.

Safety is a major highlight thanks to standard Chevy Safety Assist, including advanced driver-assist features and an HD rear vision camera. Teen Driver technology also adds extra peace of mind for families with new drivers.

This quality inspected vehicle has undergone a comprehensive inspection and professional reconditioning process at our GM dealership, ensuring high standards for reliability, safety, and long-term ownership confidence.
