2021 Chevrolet Silverado 3500HD

WE DELIVER ANYWHERE IN CANADA!

The 2021 Chevrolet Silverado 3500HD LTZ is a heavy duty truck built to handle serious work without giving up comfort and refinement. Its bold grille, muscular body lines, and commanding stance give it a powerful presence that reflects its impressive capability.

Under the hood, the Silverado 3500HD delivers the strength needed for demanding towing and hauling jobs. Whether you are pulling a trailer, carrying heavy equipment, or heading out for a long haul, this truck is built to perform with confidence. The heavy duty suspension and advanced trailering technology help keep everything stable and controlled on the road.

Inside, the LTZ trim adds a premium feel to this hardworking truck. Leather appointed seating, heated front seats, and dual zone climate control create a comfortable cabin that is ready for long days behind the wheel. The spacious interior offers plenty of room for passengers and gear, making it just as practical for family travel as it is for the job site.

Technology is modern and easy to use. The large touchscreen infotainment system includes Apple CarPlay and Android Auto integration, along with available navigation and multiple camera views to assist with towing and parking. The premium audio system and smart connectivity features help make every drive more enjoyable and productive.

Storage and utility are key strengths of the Silverado 3500HD. The durable truck bed offers impressive cargo capability, while built in features help make loading, securing, and accessing gear more convenient.

Advanced safety and driver assistance systems help support confidence with features designed to assist with visibility, lane awareness, and trailer monitoring.
