## 2020 Kia Forte

### FREE DELIVERY IN NORTHERN AB/BC!

The 2020 Kia Forte LX is a practical and efficient compact sedan that delivers strong value, simple comfort, and dependable everyday performance. Its clean exterior design, sharp front end, and smooth body lines give it a modern look that feels fresh and well balanced.

Powered by a fuel efficient engine, the Forte LX offers a smooth and easy driving experience that is ideal for commuting, errands, and highway travel. It is light on fuel and easy to handle, making it a great choice for drivers who want low running costs without sacrificing comfort.

Inside, the cabin is straightforward and thoughtfully designed. The seating is supportive with good space for both front and rear passengers, and the layout is simple and user friendly. The trunk offers solid cargo space for groceries, luggage, or daily essentials, making it practical for everyday life.

Technology includes a touchscreen infotainment system with Bluetooth connectivity and smartphone integration, allowing you to stream music, take calls, and stay connected on the go. Steering wheel mounted controls add convenience and help keep your focus on the road.

Kia's safety engineering is built into the Forte LX, with features like a rearview camera, stability control, and advanced airbag systems helping support confidence behind the wheel.

The 2020 Kia Forte LX is a smart, reliable, and efficient sedan for drivers who want simplicity, affordability, and dependable performance in one easy-to-own package. Book your test drive with Bannister GP Kia today!
