2023 Ram 1500 Classic

Experience proven strength and everyday dependability with the 2023 Ram 1500 Classic SLT. Built on a trusted platform known for durability, this full size pickup delivers rugged capability with a clean, traditional truck design. Its bold grille, strong body lines, and confident stance make it a solid choice for work, towing, and daily driving.

Inside, the SLT trim offers a comfortable and functional cabin designed for real world use. Supportive seating, durable materials, and a straightforward layout keep everything easy to reach. The spacious interior provides plenty of room for passengers, while practical storage solutions help keep tools, gear, and personal items organized.

Under the hood, the Ram 1500 Classic SLT delivers reliable performance with strong power for hauling and highway driving. When properly equipped, it offers solid towing capability, making it a dependable option for trailers, equipment, or weekend projects. The suspension is tuned to balance ride comfort with work ready strength.

Technology adds everyday convenience. The infotainment system provides easy access to audio and connectivity features, while steering wheel mounted controls help keep your focus on the road. Power accessories and climate control enhance comfort for both driver and passengers.

Safety features support confidence on every drive. Stability control, traction control, a rear view camera, and advanced airbag systems help enhance control and awareness in a variety of driving conditions.

Durable, capable, and built to work, the 2023 Ram 1500 Classic SLT delivers the strength and practicality truck owners depend on every day. Book your test drive with Bannister GP Kia today!
