2022 Tesla Model Y

The 2022 Tesla Model Y Long Range AWD in sleek Gray is a standout in the SUV category with its all-wheel drive that enhances handling and performance. This vehicle offers an impressive blend of style and function, making it perfect for any road condition Canada throws your way.

The exterior of this Model Y is both stylish and modern, with its distinctive Tesla design that turns heads wherever it goes. The interior is equally impressive, featuring a spacious cabin that includes premium options like air conditioning, heated seats, and a panoramic sunroof / moonroof, enveloping you in comfort on every drive.

Technologically advanced, the Model Y comes equipped with smart device integration, a navigation system, and a user-friendly touchscreen interface, ensuring you and your passengers stay connected and informed. Safety is a priority with a suite of features like lane assist, adaptive cruise control, parking sensors, and a backup camera, providing peace of mind wherever the road takes you.

This Model Y is the ideal choice for tech-savvy drivers and families looking for a reliable vehicle with style and efficiency. Don't miss the opportunity to make this exceptional vehicle yours—contact the dealership today for more information and a test drive.
