The 2023 GMC Sierra 3500HD Denali with the 6.6L V8 gas engine offers a compelling combination of power and luxury. This engine delivers 401 horsepower and 464 lb-ft of torque, providing robust performance for both work and leisure. Paired with a 6-speed automatic transmission and standard four-wheel drive, it ensures smooth handling and capability. The Denali trim adds premium features such as a 20-inch polished aluminum wheel, chrome accents, a navigation system, wireless charging, and a premium Bose audio system. Safety is enhanced with features like forward-collision warning, automatic emergency braking, lane-departure warning, and a surround-view camera system. With a maximum towing capacity of 20,000 lbs and a payload capacity of 6,610 lbs, this truck is well-equipped to handle demanding tasks. Its refined interior and advanced technology make it a comfortable choice for long drives and heavy-duty work.

Come down to Bannister Chev Penticton and test drive this 3500HD Denali today!
