2018 Nissan Armada

Heated Front Leather Seats–Power Liftgate–Heated Steering–Third Row Seating–Sunroof

The 2018 Nissan Armada SL 4x4 is a full-size SUV that combines strong V8 performance, comfort, and everyday practicality. Powered by a 5.6L V8 engine, it delivers smooth, ample power for towing and hauling while maintaining confident highway performance. Inside, the Armada SL offers a high-quality, comfortable interior with spacious three-row seating, heated front leather seats, a heated steering wheel, and a sunroof that adds an open feel to the cabin. The power liftgate enhances convenience for daily use.

Equipped with Surround Vision camera, it makes parking and maneuvering easier and more secure in tight spaces. The Armada also rides more comfortably and feels less trucklike than some rival SUVs, making it a strong choice for family comfort without sacrificing capability.

This vehicle has been thoroughly inspected and professionally prepared by our team to ensure it's road-ready. At Bannister Ford Penticton, we take pride in offering quality vehicles and delivering exceptional customer service from start to finish."
