2024 Nissan Rogue

Experience confident driving in the 2024 Nissan Rogue S AWD, a versatile SUV designed for Canadian roads with advanced safety and smart technology features.

This Gun Metallic Rogue S combines efficiency and capability with its turbocharged 3-cylinder engine paired to a CVT transmission featuring dual shift mode, delivering smooth power and responsive handling. The all-wheel-drive system with brake-actuated limited slip differential ensures traction on slippery surfaces, perfect for navigating snowy or wet conditions. Inside, heated front seats and a heated steering wheel provide comfort during chilly mornings, while the driver's adjustable lumbar support enhances long drives. Stay connected effortlessly with Bluetooth, smart device integration, and a WiFi hotspot, making every journey productive or entertaining. Safety is paramount with automatic headlights and high beams, blind spot monitoring, lane departure warning, and front and rear collision mitigation systems. The rear parking aid and backup camera assist with tight parking situations, while child safety locks and multiple airbags offer peace of mind for families. Aluminum wheels, LED headlights, and privacy glass add to the Rogue's sleek, modern appearance. Remote engine start lets you warm up your vehicle before stepping outside, a welcome convenience in colder months. For those seeking a reliable, well-equipped SUV that balances practicality with advanced features, this Nissan Rogue S is an excellent choice.
