2023 Ford F-150

History

This F-150 came to us from a loyal Dearborn Ford customer whose husband recently relocated abroad for a couple of years and simply has no need for the truck while he's away. He'll be back, and so will he as a customer, but in the meantime this well-kept XLT XTR is available for the next owner. One owner, driven here in BC, with just 63,894 km on a 2023 model, and built for someone who clearly had plans for it — the fifth wheel prep package, fifth wheel hitch, and rear air bags make this a serious tow rig, while the six-passenger seating, aftermarket leather interior, and twin-panel moonroof keep things comfortable for everyone along for the ride. The full Carfax report is available right on this listing and we are happy to walk you through it together.
