2017 Chevrolet Equinox

The 2017 Chevrolet Equinox LT AWD is a well-rounded compact SUV that continues to be a favourite for drivers who want dependable performance, everyday comfort, and excellent value in one smart package. With its clean, confident exterior styling, sculpted lines, and practical proportions, the Equinox strikes the perfect balance between modern design and functional versatility. Its all-wheel-drive capability adds year-round confidence, making it especially appealing for Canadian driving conditions where traction and stability truly matter.

Step inside and you'll find a thoughtfully designed cabin that prioritizes comfort and ease of use. The Equinox LT offers supportive seating, generous legroom for both front and rear passengers, and a quiet, refined ride that makes daily commuting or long road trips more enjoyable. Chevrolet's intuitive infotainment system keeps everything within reach, offering Bluetooth connectivity, a user-friendly touchscreen, and steering-wheel controls for added convenience. With flexible seating and a spacious cargo area, this SUV easily adapts to everything from grocery runs to weekend getaways.

On the road, the 2017 Equinox delivers a smooth and confident driving experience. Its efficient yet capable 2.4L engine provides responsive acceleration while maintaining respectable fuel economy for its class, helping keep ownership costs low. The all-wheel-drive system enhances stability in wet or snowy conditions without sacrificing everyday drivability, making it a smart alternative to front-wheel-drive competitors. This balance of performance and efficiency is one of the reasons the Equinox continues to be a trusted choice among compact SUVs.

Safety and reliability are key strengths of this model. Equipped with multiple airbags, stability control, traction control, and advanced braking systems, the Equinox is designed to keep you and your passengers protected. Chevrolet's reputation for durability and solid engineering adds peace of mind, especially for buyers looking for a vehicle that will serve them well for years to come. With sensible mileage for its age and well-maintained condition, this 2017 Equinox LT AWD represents strong value in today's market.

Compared to other compact SUVs in its price range, the Equinox stands out with its comfortable ride, proven reliability, and confident all-wheel-drive capability, all without
