2019 Chevrolet Silverado 1500

Experience rugged capability and refined power with the 2019 Chevrolet Silverado 1500 Custom Trail Boss, designed for those who demand performance and versatility in every drive.

This Satin Steel Metallic crew cab pickup is built to tackle tough terrain and heavy-duty tasks with its 5.3L ECOTEC3 V8 engine delivering 355 horsepower and 383 lb-ft of torque. The 6-speed electronically controlled automatic transmission and 4x4 drivetrain provide confident handling and traction, whether on the job site or off-road. The Custom Trail Boss trim adds specialized features such as a factory suspension lift and locking rear differential, enhancing both ground clearance and control in challenging conditions. Tow hooks and a factory-installed tow hitch make hauling trailers or equipment effortless, while aluminum wheels combine strength with a rugged aesthetic. Inside, the spacious crew cab offers durable cloth seats with a split bench and pass-through rear seat, providing comfort and practicality for work crews or family outings. Safety is paramount, with multiple airbags, stability and traction control, and a rearview camera to assist in tight spots. Heated mirrors and keyless entry add convenience, while smart device integration and Bluetooth connectivity keep you connected on the go. The Silverado 1500 Custom Trail Boss is the ideal partner for drivers who need a truck that works as hard as they do.
