2024 Mitsubishi RVR

Experience confident Canadian adventures in the 2024 Mitsubishi RVR ES, a versatile 4x4 SUV designed for those who value reliability, comfort, and smart technology on every journey.

This Sterling Silver RVR ES combines a fuel-efficient 4-cylinder engine with a smooth CVT transmission featuring dual shift mode, delivering responsive performance whether navigating city streets or exploring rugged backroads. Its advanced all-wheel-drive system ensures superior traction and stability in all weather conditions, perfect for Canada's diverse climates. Inside, heated front bucket seats provide warmth during chilly mornings, while the pass-through rear seat enhances cargo flexibility for gear or groceries. Stay connected effortlessly with Bluetooth integration and steering wheel audio controls, allowing you to manage calls and music without distraction. The back-up camera and rain-sensing wipers add convenience and safety, especially in unpredictable weather. LED headlights and daytime running lights improve visibility, while multiple airbags and stability control systems prioritize your peace of mind. Keyless entry and an immobilizer enhance security, and the rear spoiler adds a sporty touch to the RVR's sleek profile. Whether commuting or weekend exploring, this Mitsubishi RVR ES offers a balanced blend of capability, comfort, and technology tailored to the active Canadian lifestyle.
