2025 Ford Expedition

WE DELIVER ANYWHERE IN CANADA!

Western inspired luxury meets full size capability in the 2025 Ford Expedition King Ranch Max. With its extended Max body and distinctive King Ranch styling, this SUV delivers premium comfort, bold design, and serious space for families who want it all.

On the outside, the King Ranch stands out with exclusive bronze accents, a unique grille, signature badging, and large premium wheels. The extended Max length adds extra cargo space behind the third row, making it ideal for long trips, large families, and everything in between.

Under the hood, the 3.5L EcoBoost twin turbo V6 delivers up to 400 horsepower and 480 lb ft of torque. Paired with a smooth 10 speed automatic transmission, it offers strong, confident acceleration and impressive towing capability. When properly equipped, the Expedition can tow up to 9,300 pounds. Four wheel drive adds traction and control in all conditions.

Inside, the King Ranch trim brings a unique blend of luxury and character. Del Rio leather seating, heated and ventilated front seats, heated second row seats, and a heated steering wheel create a warm, upscale environment. The spacious three row cabin offers generous legroom, while power folding third row seats make cargo changes quick and easy. Real wood accents and King Ranch branding add a distinctive touch throughout.

Technology is advanced and intuitive. A large touchscreen with SYNC 4 includes navigation, Apple CarPlay, and Android Auto for seamless connectivity. A premium Bang and Olufsen audio system delivers rich, immersive sound, while a fully digital instrument cluster keeps key information clear and customizable. Wireless charging and a hands free power liftgate add everyday convenience.

Safety is comprehensive with Ford Co-Pilot360 Assist, Adaptive Cruise Control, Blind Spot Monitoring with Trailer Coverage, Lane Centering, Pre-Collision Assist
