## 2025 Subaru Forester

### NEW TO CANADA? WE HAVE AN APPROVAL WAITING FOR YOU!

Adventure ready and everyday practical, the 2025 Subaru Forester Sport delivers rugged capability, smart safety, and standout style in one versatile SUV.

On the outside, the Sport trim sets itself apart with bronze exterior accents, blacked out trim, bold body cladding, and unique alloy wheels. Its upright stance and functional design give it a confident look that feels ready for trails, snow, or the daily commute.

Under the hood, the Forester Sport is powered by a 2.5L BOXER engine paired with a smooth CVT transmission. Subaru's legendary Symmetrical Full Time All Wheel Drive comes standard, giving you excellent traction and control in rain, snow, gravel, and changing road conditions. The suspension is tuned for comfort and confidence, whether you are on the highway or exploring back roads.

Inside, the Forester Sport offers a roomy and practical cabin with sport inspired details. Water repellent StarTex seating, orange contrast accents, heated front seats, and a power adjustable driver's seat create a comfortable and durable environment. Large windows and a tall roofline give you excellent visibility and generous headroom for every passenger.

Versatility is one of the Forester's biggest strengths. The rear seats fold flat to open up a spacious cargo area for camping gear, sports equipment, groceries, or road trip luggage. A low load floor makes it easy to pack and unload.

Technology is easy to use and built for real life. The touchscreen infotainment system includes Apple CarPlay and Android Auto, while multiple USB ports keep devices charged and connected.

### OPTIONS

- ✓ Air Conditioning
