2025 Chevrolet Blazer EV

Check out this **2025 Chevrolet Blazer EV RS AWD** finished in blue — a bold all-electric SUV that combines impressive performance, advanced technology, and head-turning style into one modern package. With **no accidents** and **one owner**, this Blazer EV RS is an excellent opportunity to step into Chevrolet's next generation of electric driving while enjoying the versatility and confidence of an SUV.

Equipped with **All-Wheel Drive**, the Blazer EV delivers confident traction, responsive handling, and smooth acceleration in all seasons. Instant electric torque provides a quick and refined driving experience, whether you're commuting around Kamloops, cruising BC highways, or heading out on a weekend adventure.

The **RS trim** brings sporty styling and premium features throughout, with aggressive exterior design elements, distinctive lighting, and a driver-focused interior that feels both modern and sophisticated. Finished in blue, this Blazer EV stands out with a bold presence that matches its advanced electric platform.

Inside, you'll find a technology-rich cabin featuring a **large digital display system**, **wireless Apple CarPlay**, **wireless Android Auto**, **heated front seats**, **heated steering wheel**, **dual-zone climate control**, **wireless charging**, **remote start**, and advanced driver assistance technologies designed to make every drive comfortable and connected.

The spacious interior and versatile cargo area make it easy to handle everything from daily errands to road-trip luggage and outdoor gear, while the all-electric powertrain helps reduce operating costs and fuel stops along the way.

This **2025 Chevrolet Blazer EV RS AWD** has undergone a comprehensive **150-POINT INSPECTION** by our certified technicians for added confidence and peace of mind.
