## 2023 GMC Sierra 3500HD

### \*GM CERTIFIED PRE-OWNED RATES @ 3.99% O.A.C

The 2023 GMC Sierra 3500HD SLE 4WD Crew Cab equipped with the legendary Duramax 6.6L Turbo-Diesel V8 is built for drivers who demand uncompromising power, durability, and capability. Whether you're towing heavy equipment, hauling large trailers, or simply want the confidence that comes with a true heavy-duty truck, this Sierra delivers professional-grade performance in a package that also offers comfort, technology, and everyday practicality. With around 70,000 kilometers, it represents an excellent opportunity to own a modern diesel truck that is already proven yet still has a long and capable life ahead.

From the outside, the Sierra 3500HD makes a bold and unmistakable statement. Its commanding grille, muscular body lines, and elevated heavy-duty stance immediately communicate strength and purpose. The sculpted hood and distinctive LED lighting add a modern, premium look, while the durable bed and strong frame remind you that this truck was engineered to work. The Crew Cab configuration adds practicality and presence, giving the truck a balanced look while offering plenty of room for passengers.

Step inside and you'll find an interior that blends durability with comfort. The spacious Crew Cab layout provides generous legroom for both front and rear passengers, making it perfect for work crews, family trips, or long highway drives. Supportive seating, smart storage solutions, and quality materials create an environment that feels both practical and refined. The quiet cabin and smooth ride help reduce fatigue during long days on the road, while intuitive controls ensure everything is exactly where you expect it to be.

Technology is another strong point of the Sierra SLE. The user-friendly touchscreen infotainment system keeps you connected with seamless smartphone integration through Apple CarPlay and Android Auto, allowing easy access to navigation, music, calls, and messages. Bluetooth connectivity, multiple USB ports, and clear digital displays add convenience and help make both work and travel more efficient. Everything is designed to keep the driver informed and connected without being distracting.

Under the hood is where this truck truly stands apart. The Duramax 6.6L Turbo-Diesel V8, paired with the renowned Allison 10-speed automatic transmission, delivers
