2018 Mitsubishi Outlander PHEV

Experience the dynamic capabilities of the 2018 Mitsubishi Outlander PHEV SE, a sophisticated SUV in a stunning brown exterior that's powered by a reliable 2.0L 4-cylinder engine and a robust 4x4 drivetrain. Glide effortlessly through city streets or rugged paths with confidence in its superb handling.

The Outlander's elegant design is complemented by alloy wheels that add a touch of style, elevating its curb appeal. Inside, this versatile SUV offers features like heated seats and power seats, ensuring maximum comfort for driver and passengers alike. The spacious cabin is crafted for both functionality and comfort, supported by smart device integration for seamless connectivity on the go.

Stay connected and safe with advanced technology including a user-friendly Bluetooth connection and satellite radio, while the backup camera and lane assist integrate to enhance your driving experience. Customize your driving environment using power windows, keyless entry, and the convenience of cruise control, upholding a high standard of modern versatility. Brake assist adds an extra layer of safety for peace of mind.

Perfect for both families and adventurers who seek reliable performance and comprehensive features, the 2018 Mitsubishi Outlander PHEV SE stands ready to redefine your journey. Contact our dealership today to find out more about this outstanding SUV and schedule a test drive!
