2025 Honda Civic Sedan Hybrid

NEW TO CANADA? WE HAVE AN APPROVAL WAITING FOR YOU!

The 2025 Honda Civic Hybrid Sport redefines efficiency with a sporty edge, offering an exhilarating drive while keeping fuel consumption remarkably low.

Powered by Honda's advanced 2.0-liter Atkinson-cycle engine paired with a two-motor hybrid system, this compact sedan delivers a seamless 184 horsepower and impressive torque for spirited performance. Its exceptional fuel efficiency, with an estimated 4.5 L/100 km combined, ensures fewer stops at the pump without compromising on power. Sleek and aerodynamic, the Civic Hybrid Sport commands attention with its aggressive front fascia, LED headlights, and bold alloy wheels. The refined cabin provides a perfect blend of style and functionality, featuring premium materials, sporty accents, and ergonomically designed seats for ultimate comfort. The intuitive 9-inch touchscreen display with wireless Apple CarPlay and Android Auto ensures effortless connectivity, while the 12-speaker Bose premium audio system elevates your driving soundtrack. Safety is at the forefront, with the Honda Sensing suite offering features like adaptive cruise control, lane-keeping assist, and collision mitigation braking for added confidence on the road. A responsive suspension and precise handling make the Civic Hybrid Sport as enjoyable to drive as it is efficient.

>Stylish, innovative, and fun to drive, the 2025 Honda Civic Hybrid Sport is the ideal choice for drivers who demand a balance of performance, comfort, and environmental responsibility. Whether navigating city streets or embarking on a weekend getaway, this hybrid sedan is ready to impress. Book your test drive with Bannister GP Honda today!
